13<sup>th</sup> July 2011

Dear Explorers & Parents

### **New leaders**

As some of you may know, I've been running SuperNova for over eight years from when it started as one of three units in the South East District to its present form.

I've had a great time as the leader and have really enjoyed being a part of Explorer Scouting in the area.

I'm not going anywhere, but I think its time for some fresh faces (and younger blood!) at the helm. From September, Bruce Whitehurst will become the leader of SuperNova. He will be assisted by Rachel Tranter and I'll still be in the background making a nuisance of myself!

He can be contacted at the usual e-mail address or on 077 1084 4475. It will be business as usual and I hope you will support him and the unit in the same way you have supported me.

My last night in charge will be our Scout linking night on Wednesday 31<sup>st</sup> August. There will be a BBQ and refreshments and you are welcome to pop down for a bite to eat.

Kind regards

James
