The District has no Endowment or otherwise 'restricted funds' formally ringfenced for specific use by Deed of Gift/Trust or similar legal condition.

n1 This sum includes provision for a payment being paid made at the commencement of each financial year, thus the balance c/f to 2026-27 is 'inflated' by this sum. True Overall Cash Balance after liabilities **£87,530.61**

At the end of the year under review the district has one debtor, this being a loan to a group of £2500.

On schedule a payment of £500 was received so the total 'Debtor' figure is now £1000.

There is no reason to suspect that future payments will not be received on schedule.

A payment for use of Eastwinds was not received by the end of the financial F/Y £1410, subsequently paid.

Most of the balances 'at bank' have been placed in a selection of interest-bearing accounts so that some gain is made from these whilst future expenditures are being identified and made. It is obviously not prudent management to spend for spending's sake just to reduce balances to the agreed reserves levels.

Reliefs on business rates and utilities were still received. Gift Aid continues to be claimed where possible.
